BENEFITS OF OHIO MSDC CORPORATE MEMBERSHIP

Strengthening Supply Chains, Driving Growth

At OMSDC, we connect your company with a network of certified minority business enterprises (MBEs) across Ohio and the US. By partnering with OMSDC, you gain access to one of the largest and most dynamic supplier diversity networks, enabling you to enhance your supply chain, foster innovation, and support economic development in the communities where you live and work.

OMSDC Corporate Members Benefits

Corporate membership unlocks unparalleled resources and opportunities to elevate your supplier diversity strategy. As a corporate member you'll receive:

- **Direct Access:** Tap into a database of 500+ local certified MBEs ready to meet your needs.
- **Expert Support:** Tailored assistance to develop or enhance your Supplier Diversity Program.
- **Streamlined Processes:** Simplify procurement with RFP distribution and MBE referrals.
- **Cost Savings:** Gain a competitive edge from competitive, cost-effective vendors.
- **Increased ROI:** Maximize returns by partnering with MBEs that bring innovation and value.
- **Community Impact:** Boost your reputation as a champion of local economic development.
- **Ease of Use:** Access tools and resources that make doing business with MBEs seamless.

50 Years of Leadership in Supplier Diversity

For over half a century, OMSDC has set the Gold Standard for minority business certification and supplier diversity support. Our proven track record of fostering connections, delivering innovative solutions, and driving measurable impact makes us the trusted partner for corporate America. Join us in driving economic growth throughout Ohio and the USA.
